PEOPLE

*We, the Class of 1982, would like to dedicate this memorial
in honor of:*

*Brenda Sue Krambeer
September 7, 1963 - June 1, 1980*

*She will always be remembered for her lively personality
and her love of life, which made her a dear friend and a
true "Pirate."*

*When I must leave you for a little while,
Please do not grieve and shed wild tears,
and hug your sorrow to you through the
years.
But start out bravely with a gallant smile,
and for my sake and in my name
Live on and do all things the same.
Feed not your loneliness on empty days,
But fill each waking hour in useful ways.
Reach out your hand in comfort and in Cheer.
And I in turn will comfort you and hold you near.
And never, never be afraid to die
for I am waiting for you in the sky.*

The Annual Staff gratefully dedicates the 1982 MIRROR to Mr. Willis Livingood. For approximately 7 years he has spent many, many hours taking and developing pictures for the school so that we might publish a yearbook.

For the many hours you have donated your time and services to the Postville High School, we thank you very much, Mr. Livingood.

Baseball

Our team finished 10-13 with a devastating 25-2 loss to eventual state champion Lansing Kee in the district opener. We finished tied for third place in the conference and had Kevin Suddendorf, Stuart Fritz, Rodney Olson, Nick Radloff, and Tom Benson all make second team All Conference. Jeff Martins was our only first team selection. The team was young and inexperienced and lost some games because of this. We had hoped to do much better this season, but with the experience gained we should do well in 1982.

Softball

The 1981 Pirate softball seasons proved to be very exciting. With the help of these graduated seniors, the Pirates were able to finish third in the tough UIC during the summer. JoAnn DeCook won fifth team All-State honors at third base, was a first team Northeast Iowa District player, won All-Conference honors four times and lettered five years. Tina Backhaus also won All-Conference honors four times in the outfield and was a five-year letterwinner, while Ellen Imoehl lettered four years as the Pirate first baseman.

Five seniors helped lead the Pirates to a conference championship in the fall season and a fall sectional title for the second year in a row. Rhonda DeCook, Jacque Hoth, Lori Huinker, and Sherry Swenson all won first team All-Conference honors while Lora Fritz won a spot on the second team.

Lisa Deering, the Pirate junior pitcher, set a new school record with her 67-38 career win-loss mark and has three seasons yet to pitch. These five seniors and Deering all return next summer along with five other letterwinners in what will hopefully be the Pirates best season ever!

Riceville	0	20

Our 1981 Postville Pirate Football Team had an outstanding season with a 6-2 overall record. The "BUCS" had a super 6-0 record in the conference and won their first Upper Iowa Conference Title since 1974. In conference games we scored 187 points and gave up only 92 points. After being beaten by a Waukon club that won their conference, Postville really bounced back and was undefeated for 7 straight weeks until our final game with Riceville.

A very big win for us was our game with Sumner. We proved to our fans, and most important to ourselves, that we could be a contender. Our next biggest game came against a good North club as we won 14-13. Then came the big game 2 weeks later with MFL. We won handily 27-16 as MFL was without their best player. This clinched the conference title even before we had to play West Central. We came very close to qualifying for the playoffs, but we were defeated by a good Riceville ball club.

Mike Suckow, Charlie Poesch, Dave Ruckdaschel, Mark Schroeder were selected 1st Team All-Conference. Mark Schroeder also was the leading receiver in the state of Iowa and was selected 1st Team All-State. Nick Radloff finished out a super career for Postville as he was one of very few people to have been a 3-year starter. We will miss the contributions and leadership of our 11 graduating seniors, but we have a good nucleus to come back next year. Stuart Fritz will be our quarterback again, after setting records as a sophomore. Congratulations, 1981 "BUCS" for a super season full of many great memories!

The 1982 edition of Postville H.S. Basketball History finished 15-7 with second place in the conference and the sectional champs for the second year in a row. We had a big, strong team which outrebounded opponents in 20 of 22 games. Our team was very deep in talent. All 14 juniors and seniors played enough to letter. David O'Hara was named to the 5th team All-State by the Iowa Daily Press. O'Hara and Charlie Poesch led the team in rebounding. The playing time was split enough that scoring averages were not impressive, but it is a compliment to our team that someone was always ready to pick up the scoring slack when a player had an off night shooting. All the players need to be complimented on their sportsmanship, hustle, and teamwork they displayed this season.

After jumping out to a 6-1 season and winning the Monona Thanksgiving Invitational for the second time in 3 years, the Lady Pirates ran into some tough league competition and finished the Christmas break with a 6-3 record. The post-holiday schedule proved just as competitive with the top 3 teams losing 2 or more games. Having to settle for 4th place in the conference after being the pre-season favorite to win, we went into the sectional tournament in the large class playing our best ball of the season. One highlight was our convincing 61-44 win over Crestwood and an outstanding effort against a tough rated Turkey Valley who slid by us 62-59.

We had an outstanding group of seniors who were the mainstay of our program. Co-Captain Lisa Lechtenberg led the forward court with 488 points for a 23.2 average, while Rhonda Friederich led the offensive rebounds with 65, and 111 assists. Co-Captain Lori Huinker led the team in rebounding with 117 in 20 games for 5.9 average followed by Sherry Swenson's 122 rebounds in 21 games for 5.8 average and a record-setting 112 interceptions for 5.3 average. These girls have represented their school well. Their sportsmanship and dedication have distinguished them as the top student-athletes and citizens that they are. They are very special people and their contributions to our program will always be remembered.

Mr. White--Assistant Coach

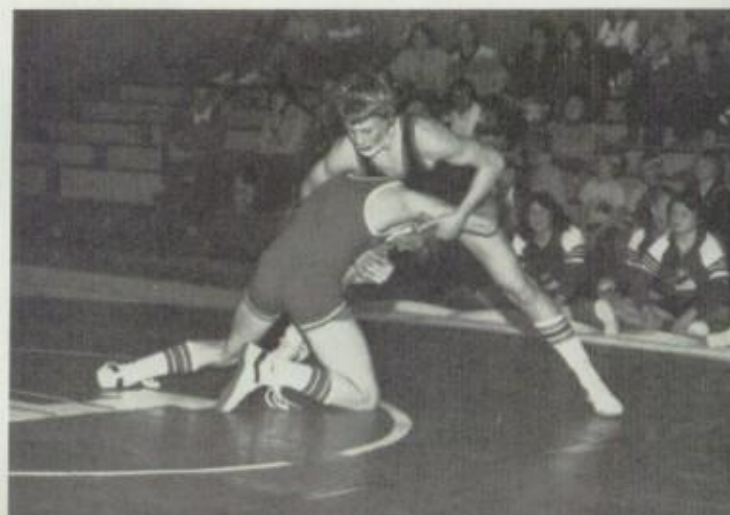

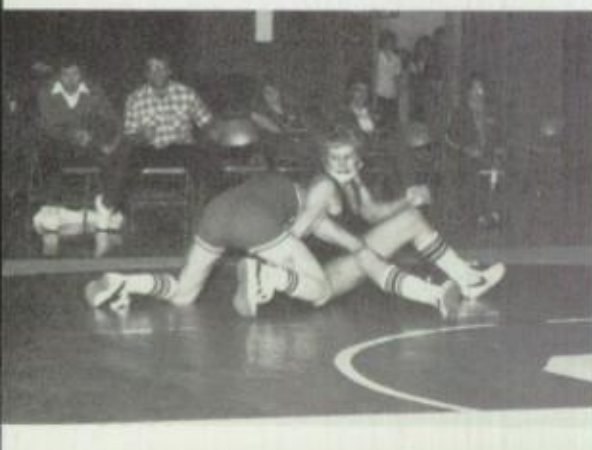

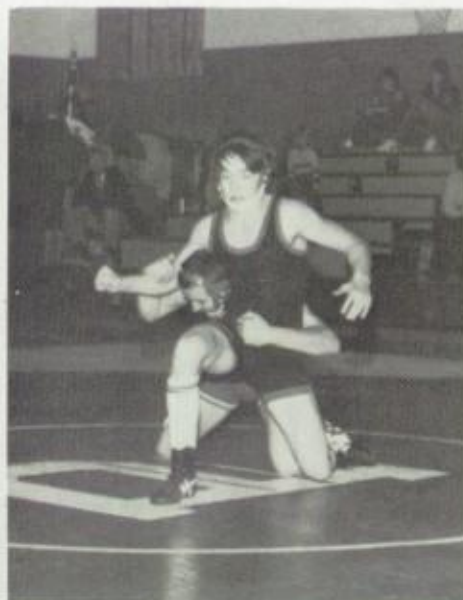

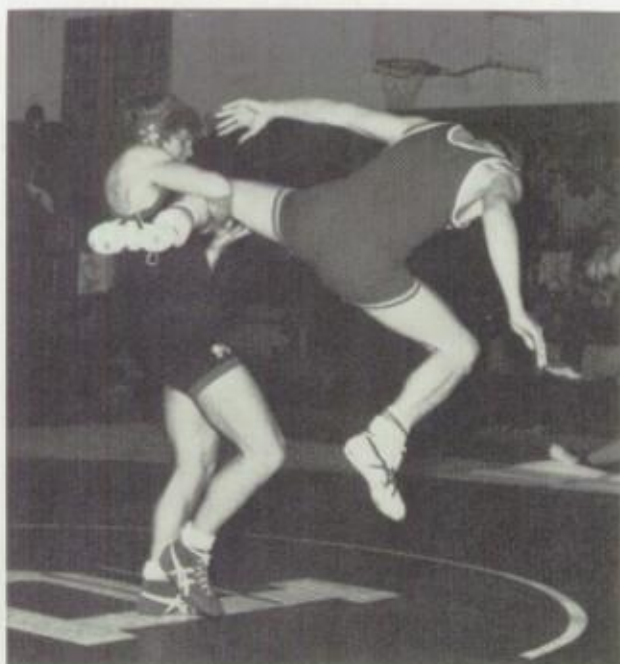

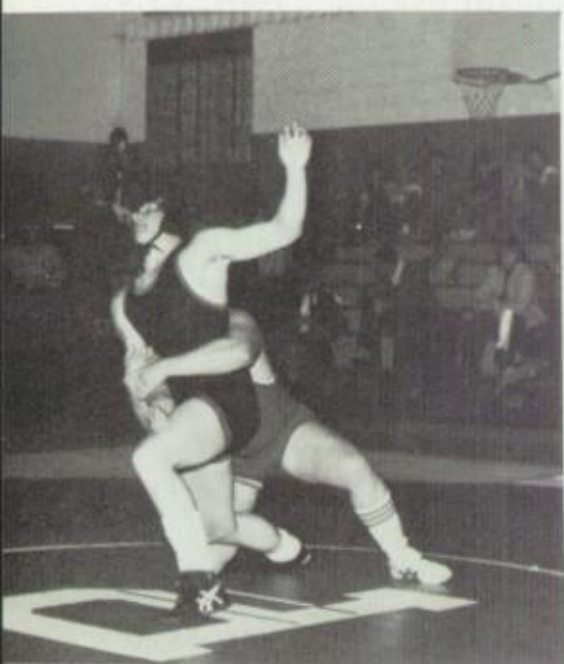

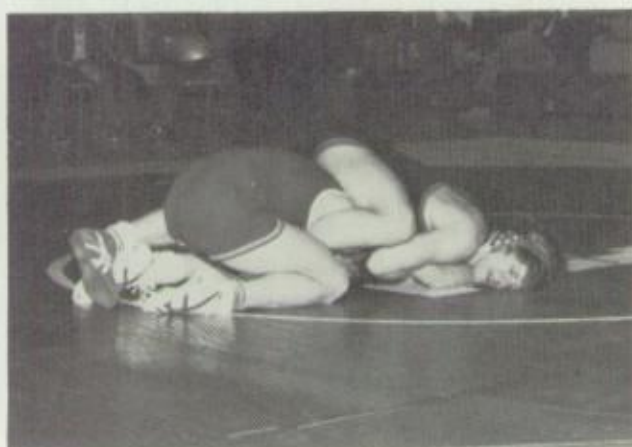

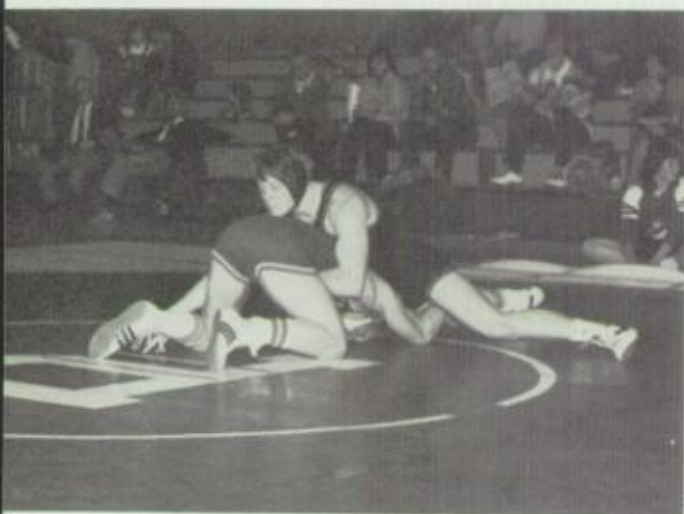

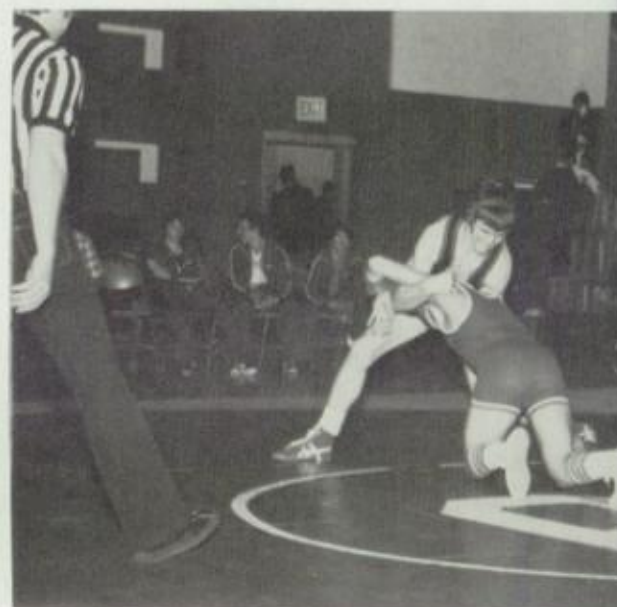

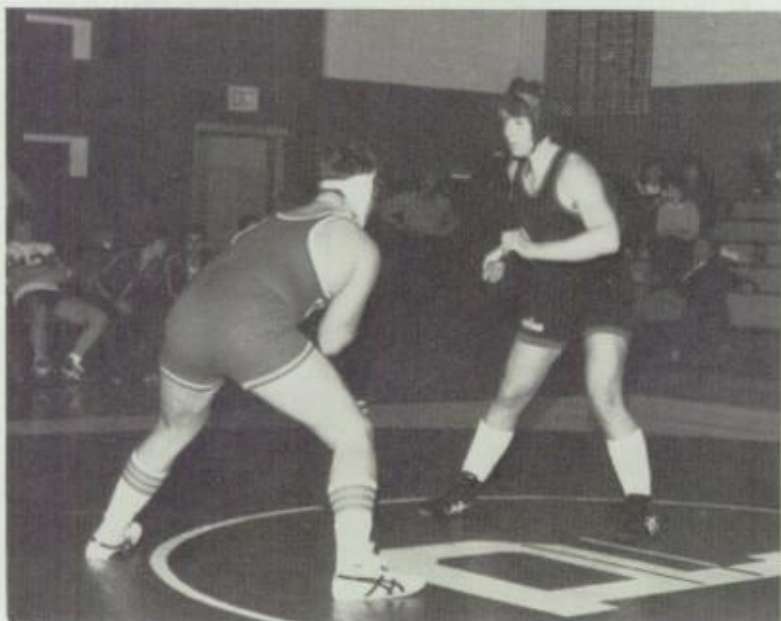

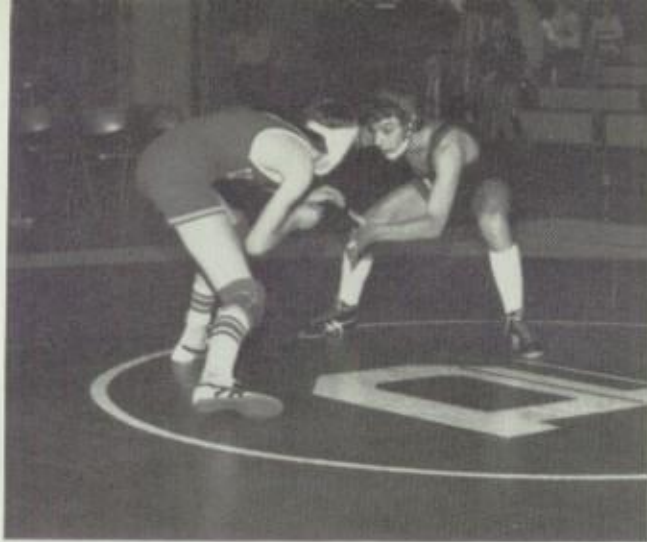

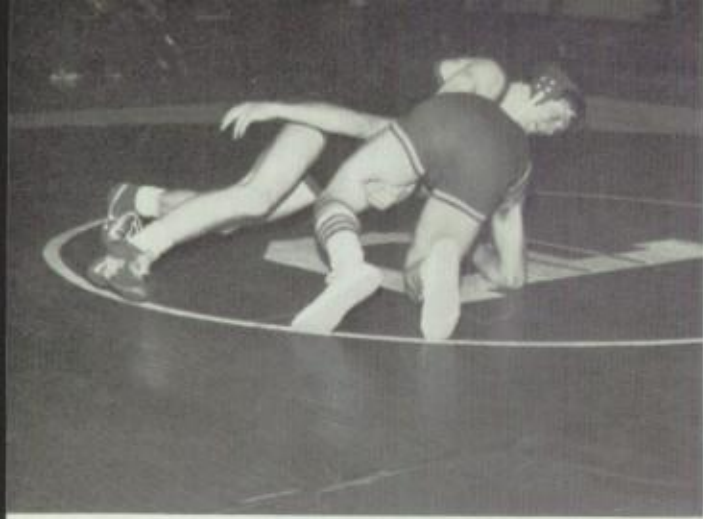

Mr. Bucknell--Coach

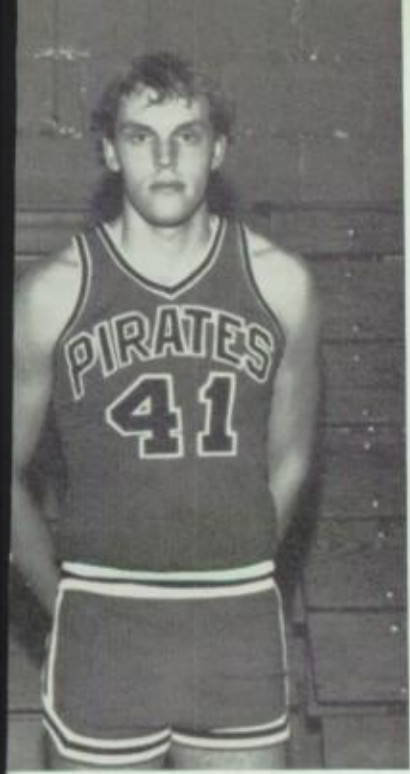

The Pirate wrestlers completed one of the most successful seasons in the past ten years. The Pirates won the Upper Iowa Conference Tournament, Elkader Tournament, and the Valley Tournament. The Pirates finished the dual meet part of their schedule with an 8-1 record, losing only to Waukon.

The highlight of our season was the dual victory over North (the first time in ten years) and winning the conference title by 27 points. Dave Hughes also became one of the few wrestlers to qualify for the State Tournament two years in a row. Dave Hughes was voted outstanding wrestler and team captain, while Chuck Radloff won the most improved wrestler award.

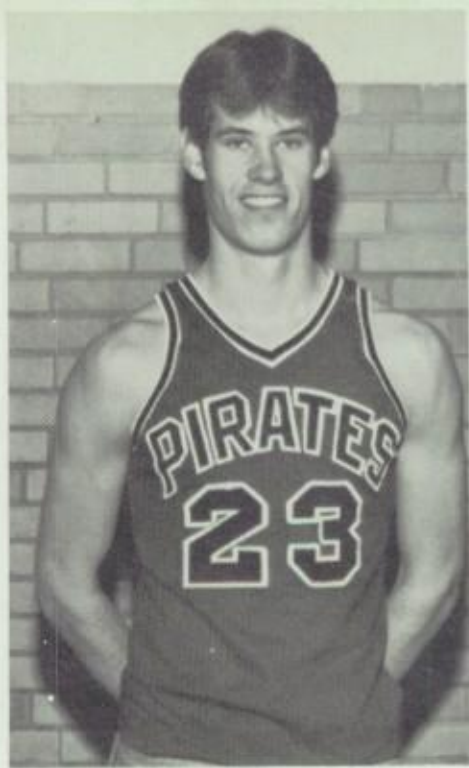

The leadership, determination, and cooperation led directly to the success of this year's team. The sacrifices made by individuals in our program were many, and every varsity wrestler finished third or better in a tournament during the year.

The 1982 Lady Pirates completed one of their most impressive seasons ever. The team won five meets including the Acette and Tigerette Invitationals, and were second in seven other meets. Most importantly, a second place finish in the class 2A District meet behind State Champion Starmont and a close second place conference finish behind three-time champion, Sumner. The girls also won runner-up honors in the Hawkette, Trojanette, Warriorette, and Bulldogette Invitationals.

Led by an impressive group of seven seniors, the Pirates set 12 new school records, and two new conference records--the Shuttle Hurdle Relay and the 880 yard Relay. Six juniors, three sophomores, and a strong group of 14 freshmen helped the team demonstrate their ability to score in nearly every event throughout the season.

A significant highlight of the season was the second place class 2A finish in the State meet by the Shuttle Hurdle Relay team--Bobbi Rekow, Lisa Deering, Rhonda Friederich, and Sherry Swenson. Sherry also placed seventh in the 100 meter hurdles and eighth in the 400 meter hurdles in the State meet to cap an impressive track season.

Another highlight was the impressive performances by the freshman Joni Waters. Joni won a trip to the State meet in the shot put and set school records in the 100 meter dash and 880 yard relay. Joni also was the State Individual Champion in the Junior Divisions Pentathlon.

Five seniors were four-year letter winners and will definitely be hard to replace next year. Together they hold a total of 32 school records. The winning tradition these athletes have built for Postville will help keep the Pirates in contention in future years. We are looking forward to another good turnout next year when the Lady Pirates will again provide some exciting competition.

Three seniors, Mike Suckow, Eric Mohror, and Joe Schulte provided excellent leadership for our 1982 track squad. Our juniors and sophomores provided most of our scoring this past season. The very poor weather made this a very difficult and sometimes frustrating year. We had to cancel 2 meets and had numerous postponements of several other track meets. In spite of all of that, our team had an excellent attitude, worked very hard, and most important of all, was a very strong finisher late in the season.

Two school records were broken this season. Adrian Blumhagen vaulted to a record height of 11'6" in the pole vault and Stu Fritz threw the discus to a record distance of 136'9". Postville consistently finished 1st, 2nd, or 3rd in all track meets except one this past season. We had great depth in many areas. Our strongest events this year were: Discus, pole vault, hurdles, mile run, 880 run, mile relay, 880 relay, 440 relay, and medley relay.

Our freshmen, although small in number, contributed greatly and really improved. We will miss our seniors very much. If we make improvements next year, as we did this year, we could be a very strong track team, led by some excellent individuals in the senior class.
